Freight

Shipments will be made by the carrier of your choice, or the best carrier available, considering lowest rates and handling. All merchandise is shipped FOB our dock. At this point, responsibility of ownership changes hands to the customer. If something is damaged during shipping, please **ACCEPT IT and file a freight claim. Once the merchandise leaves our dock, we cannot be held responsible for damages caused by freight companies. The carrier is responsible to reimburse you. (Refusal of any shipments will result in termination of all future shipments.)**

All prices are FOB Fort Worth, Texas.

Product Defects

Our products will require the normal touchup or "DeLuxing" common to the furniture business. We strongly recommend inspection for that purpose prior to customer home delivery. When a problem occurs requiring extraordinary repair or replacement, please call us to discuss the best action. Upon agreement as to possible repair or replacement, authorization will be noted so that proper credit can be issued. We will not accept returned goods nor issue repair allowances without prior authority and agreement.

Return Policy

WILL CALL CUSTOMERS: Please note that no items will be accepted back due to broken mirrors or glass. There is no way to determine where the breakage occurred. Our warehouse personnel will gladly help your driver inspect any necessary pieces prior to loading your truck. All warranties being returned must have our prior approval. All returns must be shipped "PREPAID FREIGHT", and must have prior authorization, or will not be accepted.

All warranty and defective part replacements will be shipped freight collect-NO EXCEPTIONS!

Prices subject to change without notice.
